TCABC Missions Mobilization 2011

We have a great opportunity to be a part of God's plan to change the world! I hope that you already are sensing how God can ignite the world through your short-term service. I have found that if believers will follow some 'steps of faith' (our part), then God will do His part in responding to your faith and making sure that there is provision for you to be involved in one of our mobilization opportunities. We will help you on this journey – just ask! Those simple, yet important 'steps of faith' include:

- Obtain a passport! You may want to go on an international trip, but unless you have a passport in hand there is no way you will get on a plane.
http://travel.state.gov/passport/forms/ds11/ds11_842.html
- Make a deposit for the trip you believe God is calling you to be a part of.
- Tell others that God has called you to be a part of a mission team.
- Sell something you own to help finance your trip, and then ask others to help 'send' you on missions.

Our mission's staff goal is to do everything possible to help you act on the calling that God has placed on your life. Don't hesitate to contact any of the people listed as team leaders in order to obtain help. God is glorified through our service to all people!
